# Hyper Flake®

Hyper Flake® is a decorative flooring system that captures the beauty and warmth of natural stone finish. An alternative to the traditional polished floor, offering a consistent polished concrete look and a finish that has been formulated with durability at the forefront of requirements.

Hyper Flake® Systems completed in our Crystal Finish have a satin, semi-textured and seamless finish offering a modern, tough, hygienic and grout-free floor. Our Diamond Finish will take your floor to another level of sophistication with additional depth and gloss.

Hyper Flake® Signature Series is an easy to maintain long term solution that brings elegance into your space. Don't settle for anything less than stunning!
