

No two floors will ever look the same with endless creative techniques that can be used to create a style that you can call your own. With a modern colour range and the ability to supply special order colours, the choices are endless.

This system can also be used in the artistic sector creating one-off unique artworks, a unique system for both the floor, benchtops and the walls.

The finished product is a unique, high-end designer floor with depth and a smooth glass-like finish.

SWIRL COAT SYSTEM

YOUR UNIQUE SEAMLESS FLOORING SOLUTION

Cleaning your epoxy surface is important to maintain its visual appeal and remove surface contaminants that can be very abrasive.

See the [Cleaning & Care Guide](#) for further information on caring for your resin surface.
